MUST Clients

Re: Concentra Collection Sites

It has come to our attention that Concentra's fees have increased substantially for drug screen collections. Due to this price increase, Concentra is no longer considered a "preferred" collection site for MUST or Alere and is being removed from the list of approved collection sites. In an effort to keep your costs down we are urging you to use collection sites other than Concentra. Even without the Concentra sites, our collection site network is extensive and will continue to expand. Alternative sites can be found at www.mustbsafe.com under the "Collection Sites" tab. Here is a direct link:

https://www.mustbsafe.com/must/sms/public_collection_sites/

If you don't see an alternative site within a reasonable distance, please contact our office or Alere at ToxTeamRed@Alere.com or by calling Alere at 800-433-3823, (option 7, then option 1 for Team Red).

As always please give the MUST Office a call if you have any questions or concerns.
